

The Lattice evokes interlacing patterns—urban and natural environments, indoor and outdoor, park and home. A contemporary vertical community where lifestyles converge and flourish into a refreshing living experience.

THE  
**LATTICE**  
Parklinks

*The greenest urban estate of Eton Properties and Ayala Land refreshes city living with spaces for outdoor engagement, shaping diverse lifestyles in a sustainable masterplan.*

## Life Refreshes Every Day

Amidst an array of conveniences and verdant grounds, Alveo Land introduces its newest residential development in Parklinks—The Lattice. Indoors intertwine with invigorating views and cool open air as homes open up to parks and open spaces, creating a seamless atmosphere where connections flourish.

## A thriving partnership

*Two of the country's leading property developers, one vibrant destination. A shared vision forming a sustainable urban estate—Parklinks.*

### ETON PROPERTIES

Eton Properties is the real estate arm of the Lucio Tan Group of Companies and one of the leading full-range developers in the Philippines. It holds an extensive land bank in strategic locations all over the country, specializing in office, commercial, residential, and mixed-use township developments. Eton Properties is committed to efficiency and customer focus, driving quality projects across the nation.

### AYALA LAND

Spanning over 80 years of experience, Ayala Land continues a heritage of excellence in property development in the Philippines. Setting the standard with masterplanned communities from sustainable growth centers to multi-generational homes with a singular vision—enhancing land and enriching lives for more people.

### ALVEO LAND

Alveo Land carries out the Ayala Land legacy with the spirit of innovation through fresh lifestyle concepts and living solutions. Pushing boundaries, shaping contemporary neighborhoods, nurturing individuals and hard-earned investments—giving you a place for living well.

Lifestyle Image

## Pathways to green urban living

*Connected. Urban. Natural.* Parklinks is a 35-hectare sustainable development thoughtfully masterplanned by Eton Properties and Ayala Land where a vast park system synthesizes diverse environments for living, working, and leisure. Dedicating 50% to activated parks and open spaces, vibrant possibilities come alive in a refreshing landscape—the greenest urban estate in Metro Manila.

Lifestyle Image

# Flourishing from every direction

The biggest mixed-use estate along the thriving C5 corridor connects QC and Pasig in a dynamic center of growth. Highly accessible via C5, Amang Rodriguez Avenue, and Ortigas Avenue, the estate is strategically located as a convergence point for urban centers in Makati, BGC, Ortigas, and QC, as well as neighboring residential communities, educational institutions, and commercial establishments.

## Educational, Medical, and Religious Institutions

Approximate distances only and may vary depending on routes taken

## Green and everything in between

A breath of fresh air in the city, Parklinks lays out the most extensive park system that connects urban conveniences with activated green open spaces for diverse lifestyles. From any point within the estate, parks are just a short walk away.

### INTEGRATED PARK SYSTEM

#### ECO CENTER

A 3-hectare central park surrounded by retail options at the core of the estate, ideal for social gathering and events.

#### ECO TERRACES

Running paths and bike lanes surrounding the estate complement active lifestyles with picturesque sightlines of the iconic Parklinks Bridge.

#### ECO PARK AND ECO FOREST

Preserving the natural landscape, vast gardens give way to refreshing riverside views.

#### ECO ESPLANADE

A vibrant riverside attraction for shopping, dining, and entertainment, with direct access to Parklinks Mall.

Parklinks spruces up city living  
by dedicating 50% of the estate  
to open spaces and pocket gardens  
**refreshing everyday experiences**  
where built and natural environments coexist.

## Framing a fresh point of view

The estate is brought together by a dynamic park and road network for people to flow with ease and mobility throughout. The iconic Parklinks Bridge amplifies circulation with bike lanes and walking paths, connecting the two parcels of the estate where vibrant retail experiences and shared spaces come together.

### ACCESSIBILITY & CONVENIENCE

#### PARKLINKS BRIDGE

Spanning 110 meters long and 25 meters wide, the icon of the estate, the Parklinks Bridge joins two cities across the Marikina River. Easing vehicular flow in the northeast and east of Metro Manila with dedicated lanes for bikers and pedestrians for eco-friendly mobility.

#### PARKLINKS MALL

Situated at the district's C5 frontage, a lifestyle mall anchors the estate with a unique fusion of fresh retail concepts, a sports complex, and contemporary office spaces.

## Home linked to life

Going to the park is just like stepping out your front door. Invigorated by views of the 3-hectare central park, the biggest park of the estate, The Lattice weaves indoor and outdoor spaces in a seamless atmosphere. Nurturing homegrown connections with an abundance of green, a refreshing experience comes into play.
